PROFESSIONAL PROFILE

With +2.6 years of experience, I am a developer skilled in full-stack development and specializing in back-end. I have collaborated on numerous software projects, gaining valuable expertise and keen eye for optimization and productivity. I thrive in dynamic environments and am passionate about working in teams that share the same enthusiasm and drive for success. As a strong believer in the power of teamwork, I actively seek opportunities to contribute to a collaborative and supportive atmosphere, where members can grow professionally and assist one another in achieving shared goals.
